

August 20, 2012  
Redwood Jr. Soccer League  
Belmont Sports Complex  
Bi-monthly meeting

Attendance: Bennet Weintraub-President/Burlingame; Charlie Williams-Stanford; Hugh Loveless - Juventus; Cindy Turgeon-HMB; Frank Beltran-Peninsula; John Shield Web/Belmont/San Mateo; Ken Owens Secretary; Tom Snider - Belmont.

Agenda: Ratification of New Officers; CCSL Fall League; HMB Turf

The proposed new board was approved and voted yes by all.

President - Frank Beltran  
VP 1 - Paul Denton  
VP 2 / CCSL Rep - Kimberly Fitch  
Treasurer - Laura Oliphant  
Secretary - Tom Snider  
Referee (Red Card) Administration - Sammy Khatri  
Past President - Bennet Weintraub

Existing People: Referee Development - Dan Kaplan ; Webmaster/Communications - John Shield; Registrars - Tony Johnson & Sara Gray; Coaching Coordinator - Tim Nixon;

Some discussion around Tournament Director which led to the agreement that all clubs should involve each other with a Master Calendar much earlier in the year to avoid tournament conflicts, though not as a position on RWL board. The calendar would also include such things as ref classes, coach classes, summer camps, indoor leagues, and the like to assist all in proactively planning and using fields, refs, and other resources.

Discussion on CCSL Rep and what that position will entail is also to be defined more clearly. CCSL needs volunteers and support, as well as input and interface for Redwood League Clubs.

CCSL: It's important that clubs pay very close attention to this transition and implementation of the fall league on GotSoccer. At this point, there is no automatic communication link between GotSoccer and CCSL/Pensra (hopefully before the end of the year). John Shield has taken the Gotsoccer match games and put them in our system. Managers or club officials should be able to enter field and match information that will flow to PENSRA. Recognize that does not mean the information will show up in Gotsoccer. Teams will need to have Gotsoccer properly updated with the match information. It would be wise to communicate early with every match opponent that field, date and time information is in agreement. Changes made in our system will not show up in Gotsoccer unless you update them also in Gotsoccer. It's recommended that clubs constantly (weekly?) compare your Gotsoccer matches vs your CCSL/Pensra matches. Your club will need someone / several people that will become expert in managing and evaluating your teams and matches in Gotsoccer. The average team manager will need assistance in getting this right for your teams and club.
